THE SENIOR CLASS
OF
FARMVILLE HIGH SCHOOL
FARMVILLE, NORTH CAROLINA
PRESENTS

77,857 MINUTES

IN MOTION AT 214 NORTH MAIN

DEDICATION

Amid the cheers of the excited spectators, the team takes the field for the big game. Although the game will be won or lost on the field, the outcome to some extent has already been decided. It has been determined at practice, where boys are molded into men; individuals, into a team. This transformation is the result of the untiring efforts of one man—the coach. His is not an easy job; it requires dedication. He must love youth. Because he is such a man, the senior class dedicates the 1964 ARCHWAY to our coach and friend, MR. ELBERT MOYE.

77, 857 MINUTES...

The school year 1963-1964 entailed 77, 850 minutes of ceaseless motion in which every Farmville High School student took part.

The additional seven minutes represented the inestimable amount of time spent in extra-curricular activities.

Evidence of mental and physical exertion was indicated by the motion which was continuously taking place in the classrooms. "On the go" was an apt description of the students.

The familiar motions of academic and practical education flooded the square block known as 214 North Main.

Motion occurred in a multiplicity of forms,
and each movement helped to give Farmville
High School an identity all its own.

Waiting for their monthly checks are bus drivers David Jones, Marvin Harris, Gerald Tugwell, Sam Bagley, Bennett Dilda, David Lee, Steve Tugwell, Frankie Carraway, Richard Holloman, Paul Rasberry, Ray Corbett, and Elon Everett.

MISS DAIL HARRIS was chosen by the senior class as the girl who embodies the ideals of Farmville High School. Poise, charm, beauty, personality, and character—all are synonymous with MISS ARCHWAY.

ACHIEVEMENTS

Some students, having utilized their time more productively than others, have merited recognition for their abilities and for their hard work. All should be inspired and challenged by the accomplishments of these few.

ERNIE PETTEWAY
Co-Chief

At the end of each year, freshmen, sophomores, and juniors, who have attained a scholastic average of 92 or above, serve as marshals at the Commencement exercises. To be a marshal is both an honor to the person and a service to the school.

DAR AWARD

MISS JUDITH JOYNER received the annual GOOD CITIZEN AWARD presented each year to a senior girl by the Benjamin May Chapter of the Daughters of the American Revolution.

BOYS' AND GIRLS' STATE

Each year four outstanding students, two girls and two boys, are chosen to attend Girls' and Boys' State during the summer preceeding their senior year. MISS DAIL HARRIS and MISS JUDITH JOYNER went to Girls' State in Greensboro, sponsored by the American Legion Auxiliary. The American Legion selected JACK WRIGHT and JIM DILDA to go to Boys' State in Chapel Hill.

ORGANIZATIONS

Studies were pushed into the background momentarily to allow a place for extra-curricular activities. Providing an outlet for knowledge, leadership, and individual talent, various organizations also served as channels for friendship, community service, and the promotion of high ideals.

THE STUDENT ASSOCIATION

Four years ago the Student Association was a new and novel feature in the school. It has become one of the essential parts of the school organization. Working with the faculty and the administration, it serves as a student voice in how the school is run.

Mr. Harvey Russ, Advisor, and Ernie Petteway, President, discuss future plans for the S. G. A.

ATHLETICS

Many of the students were in motion spending a large part of their time participating in one of three sports offered. Practice, persistence, and desire went into the building of their skill. The athletes took pride in holding high the reputation of their school, striving not only to win but also to exemplify good sportsmanship.

Others—enthusiastic cheerleaders and ardent fans—spurred the teams to victory.

BASEBALL

SPRING 1963

Jack Wright, outfielder, warming up for his turn at bat.

Gerald Tugwell rounds third base, heading for home plate.

David Ryon and Ivey Smith, two of the team's returning lettermen.

During the spring of 1963 the Farmville baseball team spent countless minutes in preparation for what resulted in a successful season. The Pitt County Baseball Championship was captured by these Farmville boys largely because of their desire to win, their competitive spirit, their persistent nature, and their ability to function as a team. Their overall record was 12 victories and 2 losses.

J. Hardison, S. Letchworth, R. Rouse, E. Petteway, G. Mosley, D. Sauls, I. Smith, D. Ryon, J. King, T. Thompson, and C. Eason.

The 1963 Red Devils had the most successful year in the gridiron history of Farmville High School. Although two star linemen were injured during mid-season, the team continued its hard practice and gave a fine display of athletic ability. With only one loss occurring during regular season play, and that being a non-conference game, the Red Devils were Coastal Conference champions. In a game against Belhaven, they came through with a 35-0 win. This qualified the team for the Regional 1-A play-off. With a strong Murfreesboro team as its opponent, the Farmville eleven held the lead for over three quarters of the game. In the final minutes of the fourth quarter, the Murfreesboro Red Devils carried the pigskin over for the winning touchdown.

GIRLS' BASKETBALL

The 1963 County Champions are bidding for another championship in '64. Several starting players from last season have returned for their final year. The bench retained some of its experience to help strengthen the line-up. This combination has proved successful for the lady devils. Under the leadership of Coach Harvey Russ, the team hopes to maintain its high standing in the county.

FEATURES

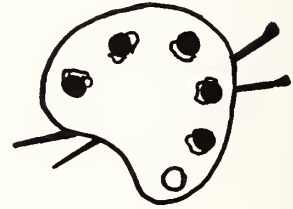

The upholding of tradition, the necessary effort, the satisfaction of a job well done- all of these were involved in making some minutes more special than the rest. Whether it was the Homecoming festivities, the "best Junior-Senior ever," or the announcement of the "Top Ten" seniors, the occasion was unforgettable to those concerned.

OUTSTANDING SENIORS

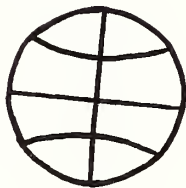

This year ten outstanding students were selected by the faculty from the senior class—students who have made the greatest contributions to their classmates and to the school. Their accomplishments include their scholastic achievement, cooperation with faculty and students, and outstanding leadership during their four years at Farmville High School.

OCTOBER 4 - HOMECOMING

THE DANCE

THE PARADE

The marching band does its part to add to the big day.

"Filled with excitement and busy days" describes life at Farmville High School during Homecoming Campaigns—ranging from making posters, washing cars, holding bazaars, to running open-air food markets at football games. These varied activities taught the fundamentals of co-operation and teamwork. As a result of effort on the part of many, there was victory for everyone—beginning with a thrilling football game against Robersonville and ending with the crowning of the King and Queen. The words of the Queen summed up the entire event: "It was an experience I shall never forget."

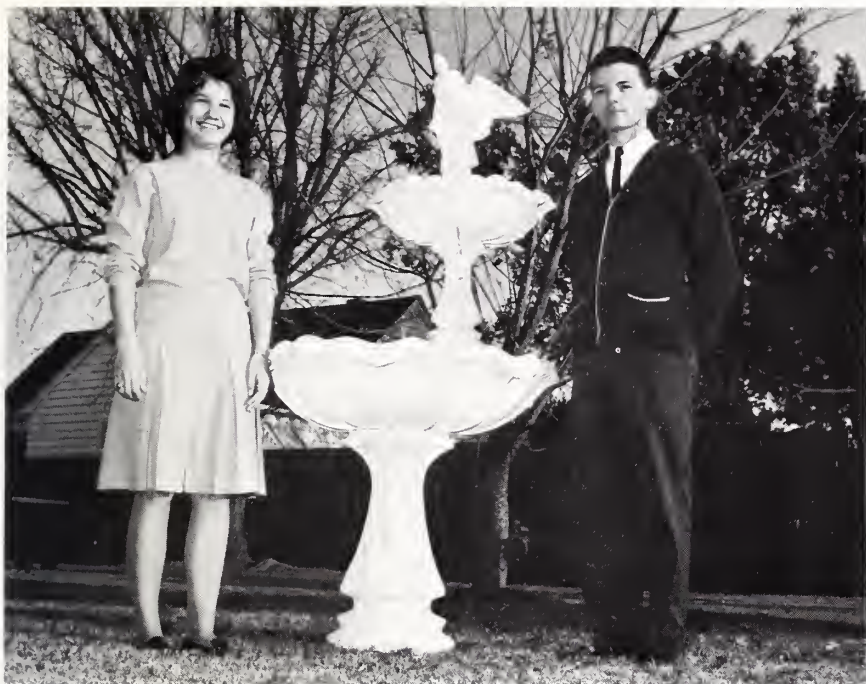

THE GAME

Last year's royalty make their appearance at half-time.

JUNIOR-SENIOR - APRIL 19, 1963

STUDENTS

Late in August, freshman, sophomores, juniors, and seniors set a swift pace which was not slackened until the last of May. Even while meeting academic standards, they managed to find time for other activities. Although the present was uppermost in the minds of all, preparation for the future was the prime consideration. Each student, consciously or unconsciously, made progress.

IN MEMORIAM

We, the class of 1964, wish to pay this tribute of respect and love to the memory of one of our friends and classmates, LUVENIA BEAMAN, who passed away on March 2, 1963.

"Vennie" was a quiet girl, but her ever-present, sweet smile expressed her love for her classmates and teachers. This love was returned by all who knew her. Her sincerity, affable manner, and willingness to serve have endeared her to her classmates.

ADMINISTRATION

The motion of the board members, the Principal, and the faculty brought opportunity and knowledge to the students. In addition to their duties, the teachers spent countless minutes supervising extracurricular activities.

These dedicated educators cannot be appreciated enough. Through them, the students gained the practical knowledge needed to plan the motion of their future years.

BOARD OF EDUCATION

Farmville school board members are Mr. R.V. Fiser, Chairman; Mrs. Carroll Oglesby; Mr. George Allen; Mr. E.N. Petteway; and Mr. Jack McDavid, Jr.

SUPERINTENDENT OF COUNTY SCHOOLS

MR. D.H. CONLEY

A MESSAGE FROM THE PRINCIPAL

Senior classes come and senior classes go, but the school stays and the process of education continues. This process, of course, goes on for seniors. Some will enter college, some will go to business school, some will attend nursing school, some will go in to Uncle Sam's service and others will enter the school of hard knocks. All will continue their education, for living is education. We must learn day by day, month by month, and year by year, or we will be lost in the shuffle.

I commend those seniors who have persevered to graduation and I challenge all of you to keep alert to the times—to educate yourself so that you can adjust to changing society. I urge you never to become weary of doing well.

Best of Luck.

Many minutes were spent soliciting the advertisements to finance the ARCHWAY.

Had it not been for the generous, civic-minded businessmen of Farmville and the surrounding area, producing an annual would have been impossible.
